4 Coronavirus: Situation concerned Covid-19

In Switzerland, all Corona protection measures were lifted as of 1 April 2022.

All participants are required to follow the rules and guidelines of the Swiss Government, the local authorities of the Canton of Thurgau, WPA and the LOC at all time as a condition for participating in the competition. If the local authorities require it, each participant may have to deliver a responsible declaration before participating in the competition.

Should the event be cancelled with short notice by the country's authorities, due to a renewed pandemic wave, beyond the control of both World Para Athletics and the LOC, neither of them will be liable for any costs related to travelling or accommodation made by athletes/officials for this event. Each member must ensure that it is allowed to enter Switzerland in the current circumstances. It is strongly recommended that all participants book flight tickets with a cancellation insurance.

4.1 Entering Switzerland

It is still possible that the entry requirements for Switzerland will be adjusted. It is the responsibility of each participant to inform themselves about the applicable conditions. You will find all necessary information here: [Covid-19 Travel Regulation Map](#)

Furthermore, you have the possibility to do a Travelcheck. The Travelcheck allows you to check whether and under what conditions you can enter Switzerland. You will find it here: [Travelcheck](#)

On the following website you will also find information on the individual rules and requirements in the relevant sections: [Federal Office of Public Health FOPH – Coronavirus: Entering Switzerland](#)

4.2 Insurance

All athletes will be required to obtain personal health, accident and liability insurances. The Local Organising Committee excludes any liability and assumes no responsibility for loss or theft of materials or personal belongings during the entire official period from arrival to departure.
